

The slide features abstract green geometric shapes. On the left, a solid green triangle points downwards. On the right, a complex arrangement of overlapping translucent green triangles and polygons creates a dynamic, layered effect. The main title is centered in a large, bold, green sans-serif font.

Context and Objectives

212BB Connected Devices by 2020

Estimations by Cisco and International Data Corporation. Obtained from Slideshare.

Context and Objectives

- ▶ Study the market needs
- ▶ Cost-effective prototype
- ▶ Platform for future projects

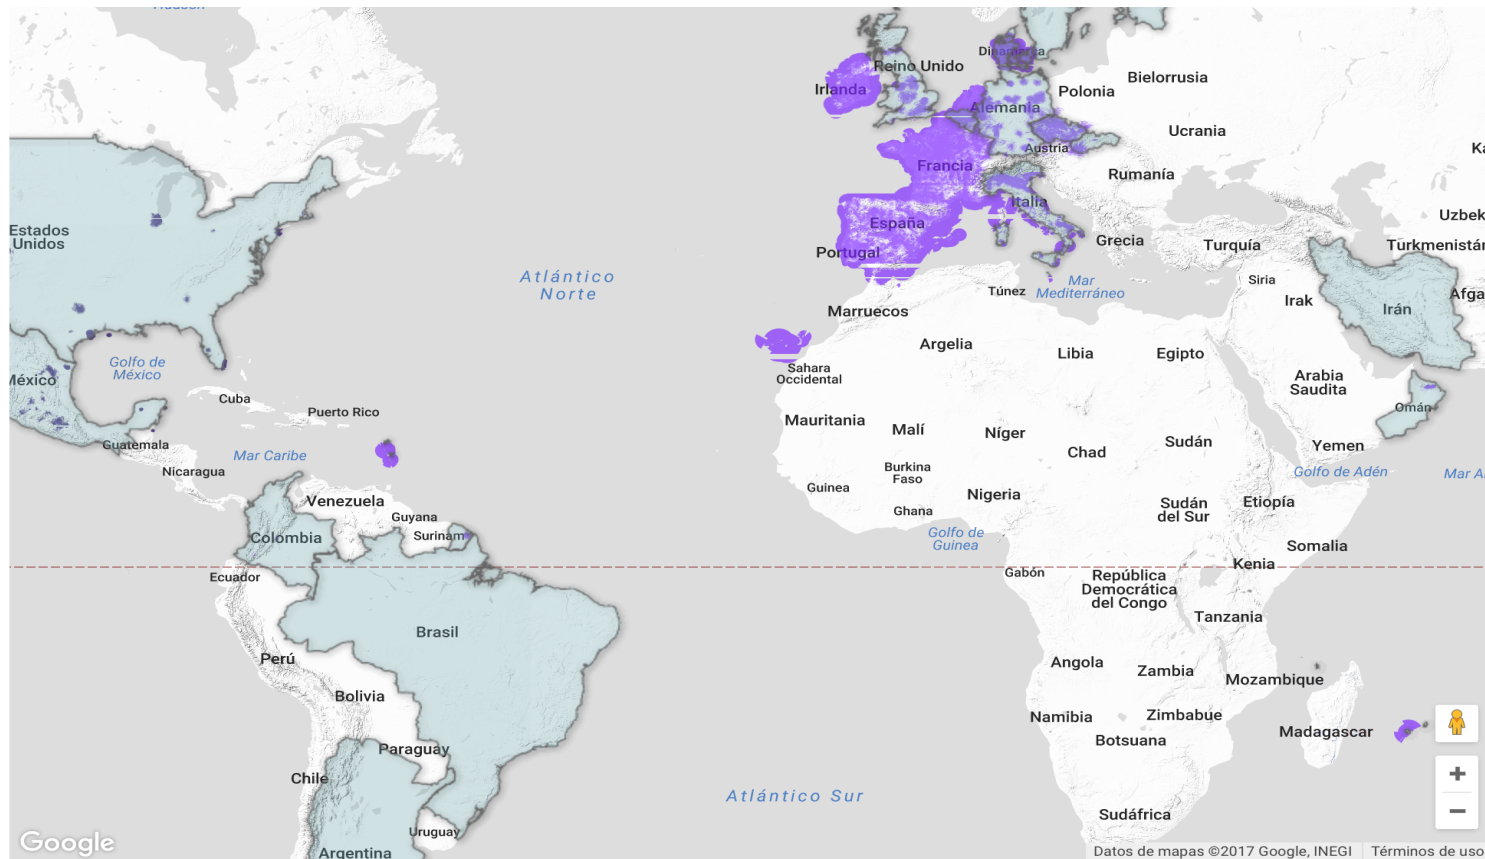

IoT Communication Technologies

- ▶ Cost
- ▶ Availability
- ▶ Capabilities
- ▶ Legislation

Summary and Conclusions

- ▶ Project that covers numerous aspects:
 - ▶ Communication technologies
 - ▶ Server Infrastructure
 - ▶ IoT SOS solution
- ▶ Functional prototype with a small investment
